Library is a growing organism....

Manonmaniam Sundaranar University

The University was established by the Government of Tamil Nadu in 1990 to cater to the long-felt needs of the people in three southern most districts of Tamil Nadu viz., Tirunelveli, Tuticorin, and Kanyakumari. It is named after the renowned Tamil Poet scholar, Professor. P. Sundaram Pillai (1855-1897), the author of the famous verse drama **Manonmaniam**. It is his poem that has become **"Tamil Thaai Vaazhthu"**, the official invocation song of Mother Tamil to be sung at the outset of all the organized meetings and programmes of Tamil Nadu. The motto of the University is **"Reaching the Unreached"**. More than 4750 students are studying in various departments of this university. The main focus of the university is to provide quality education to all, especially to the economically and socially backward people, and to uplift the society by contributing our best to meet the contemporary needs and challenges.

University Library:

Manonmaniam Sundaranar University Library was established in the year 1990. The library has more than 4100 research theses for research reference and more than 1.5 lakhs of e-books to help the researchers, scholars and students. Now as the technology has improved, there is a provision in the library to read the e-journals and the other academic publications in various disciplines published by the colleges/ universities across the globe. The Library is uploading the awarded Ph.D., theses from our end to the INFLIBNET under "Shodhganga" project. In this university there is a provision to access more than 790 research papers by various teaching faculty and there is a special provision to assess the number of clients who refer them. The students can access the library from their place of stay through remote access method by using the secret password. The library campus is also connected with Wi-Fi facility.

There are three specially designed computer systems with special facilities to help the visually challenged students to avail the updated content without any difficulty.

Department of Library and Information Science:

The Department of Library and Information Science in Manonmaniam Sundaranar University, Tamil Nadu was established in the academic year 2018-2019 to provide professional education and training in the discipline of Library and Information Science. It offers Certificate in Library and Information Science (C.Lib.I.Sc.,), Post Graduate Course M.Lib.I.Sc., and research programme Doctor of Philosophy (Ph.D.,). The Library and Information education is professional in nature and it offers a variety of job opportunities in and around the country. The Department has been established with world class curriculum and state of the art facilities. The Department of Library and Information Science has produced 74 Ph.D., scholars since it's initiation in the year 2010.

About the Workshop

The word biblimetrics was first devised by Alan Pritchard in 1969 in preference to present terminology 'Statistical Bibliography'. Alan Pritchard explained the term Bibliometrics as the application of mathematical and statistical methods to books and other media of communication", the word "Bibliometrics" has two roots: 'biblio' and 'metrics. Biblio mean book or paper and metrics is measurement. It include growth of literature may be backed by individuals group, institutions, countries, language and journals. Another significant set of Bibliometric studies communicates to what sources authorcite. The data were analysis with the bibexcel was developed by Olle Persson. This sotware is very useful for bibliometric analysis of the data.scientific collaboration is accepted in the new interdisciplinary research.
